

Primary 5 Boys

Eight Tentacles *(by Julia Donaldson)*

If only I had an octopus
I'd soon get my housework done.
I'd set him to work on the hoovering
With tentacle number one.
Tentacle two would grab a mop
And start on the kitchen floor
While he dusted and polished the furniture
With tentacle three and four.
Tentacle five would turn on the tap
And tackle the washing-up
While tentacle six took a well-earned break
And curled around a china cup.
Tentacle seven would make the beds
And set all the pillows straight,
And all the time he'd be balancing
On tentacle number eight.
