Under The Stairs

I don't like the cupboard
Under the stairs,
It reminds me of caves
And dragons' lairs.

So I never look in
Once it is night,
In case I should get
A nasty fright.

I'm silly I know
'Cos it's only small,
There wouldn't be room
For a dragon, at all.

But even in daytime
It gives me the scares
To go past the cupboard
Under the stairs.
