

Primary 3 Girls

It's a Bit Rich *(by Max Fatchen)*

Playing Monopoly's
Really my scene.
I hang on to houses
And play very mean.

I take all the money.
There's often a stack.
I'm not very pleasant
When giving it back.

I'm harsh as a landlord.
I've nothing for sale.
I'm buying your station.
You're going to jail.

My fistful of money -
It seems such a shame
When bedtime arrives
And it's only a game.
